

# your payroll. your way.

## online, or off...

**You talk, we listen.** We've built our reputation by listening to customer recommendations and fulfilling their needs. That's why our software and services integrate all the features functionality and support we know you're looking for and have come to expect.

**Online or off.** Whether you choose our proven desktop software or our new online tools, do your payroll your way. You'll spend less time managing your payroll and more time growing your business with Payworks.

**Reliable, flexible and mobile.** You'll appreciate the reliability of our desktop application with the flexibility and mobility that Payworks web-enabled payroll

and HR services provide and we'll be there to help when you need us.

**Say goodbye to the office.** Use your browser to access, enter and administer your payroll and HR information quickly and easily.

**Run your payroll your way** with Payworks anywhere, any time, online or off.

**For more information** please contact Rob Sterling at **250-764-6237**, Toll-Free at **866-678-6237** or email [rob@payworks.ca](mailto:rob@payworks.ca)

## you have a choice.

Online or off, we work for you.
